SAPN/Enerven EA Union Rally

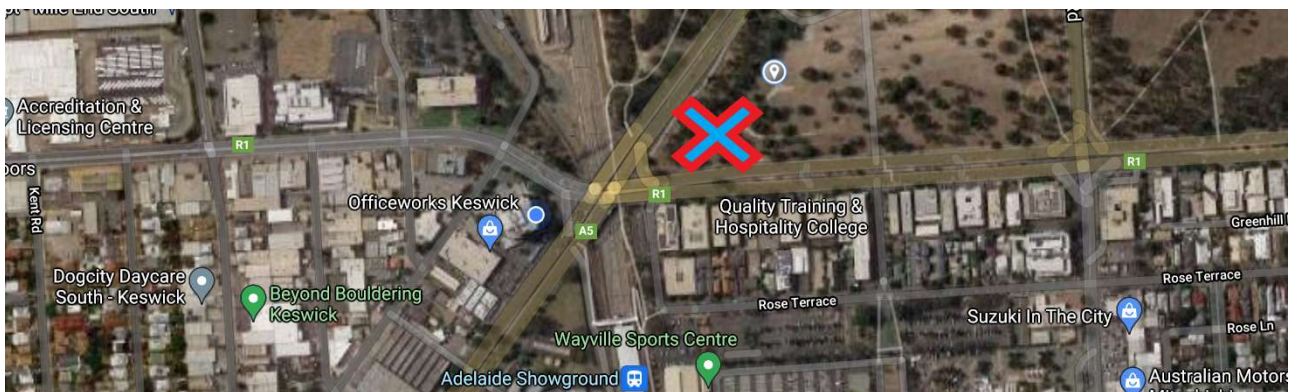

Thursday 6th May 1:30 p.m. @ Keswick

The negotiations between SA Power Networks/Enerven and their workers has revealed a plan by SA Power Networks to drastically reduce future wages which will undermine job security in our industry.

To show that we are united in our struggle against these attacks on our industry, we have planned a co-ordinated 4hr work stoppage on Thursday the 6th of May to rally together at SA Power Networks headquarters, Keswick (location in map below).

When you stop work on Thursday, come to Keswick and show your support for your industry.

Make no mistake, if the workers don't win this fight, the future of our whole industry is at risk.

This is your industry, you are the union, join with your work mates to protect what you have.

SAME JOB – LESS PAY – NO WAY!
