SAPN/Enerven High Visibility Activity

Thursday the 20th of May CEPU SA Members are undertaking an 8 hour stoppage as part of an Industrial Action Campaign in pursuit of a fair outcome in Enterprise Bargaining.

To ensure the day off, unpaid, has the full effect in relation to the overall pursuit of a fair and reasonable outcome, our Members have planned a High Visibility Activity in front of Keswick.

This activity is Member driven and we are doing everything we can to assist our Members in making this successful. We would like all CEPU SA Members who are able to come along and participate in the activity to come and help SA Power Networks/Enerven understand that the future of our industry matters to the workers.

The activity will run from 8-9am on Thursday the 20th May 2021.
Meet in the car park, Rose Tce, Wayville.

We will be bringing placards and banners to the 4 corners in front of Keswick to raise awareness of our situation through peak hour.

After the activity we will fire up the Snaggin' Wagon and cook up a breaky for the participants.

So bring some of your depot workmates and join the other workers in helping us to get a good outcome from the EA bargaining process. These Activities matter and this being a Member driven Activity, it's time to show your support for each other.
